SUMMARY

Dynamic Frontend Developer with 4 years of experience building responsive web applications using React, Angular, TypeScript, JavaScript, and Redux. Skilled in unit testing with Jest, Agile workflows, CI/CD pipelines, and Azure DevOps. Strong problem-solver and collaborative team player.

TECHNICAL SKILLS

Frontend: JavaScript (ES6+), TypeScript, React, Redux, Angular, Angular Material, RxJS, Tailwind CSS, HTML5, CSS3

Backend & Databases: Node.js, REST API Development, MongoDB, MySQL

Tools & Practices: Git, GitHub, NPM, Vite, ESLint, Prettier, Jest, Jira, Azure DevOps, CI/CD

EXPERIENCE

Infosys Limited

Senior System Engineer

Pune, India
Nov 2022 – Sep 2024

- **Technologies:** React, TypeScript, Angular, MongoDB
- Designed and implemented new application features, improving client work planning and scheduling.
- Transitioned a large project from Angular to React, enhancing system efficiency and scalability.
- Developed unit tests with Jest to ensure code robustness and maintainability.
- Used Redux for efficient state management across complex UIs.
- Collaborated using Git and Azure DevOps in Agile delivery environments.

SpryIQ Technologies Private Limited

Associate Software Engineer

Pune, India
Mar 2021 – Oct 2022

- **Technologies:** Angular 9, Node.js
- Developed projects per customer requirements and delivered timely updates.
- Created progress reports for transparent stakeholder communication.
- Revamped user interfaces to significantly improve usability and engagement.
- Resolved legacy bugs to increase software stability and performance.
- Converted Figma designs into responsive Angular components, collaborating with the design team for pixel-perfect results.
- Applied Agile workflows with Jira and integrated CI/CD for streamlined deployments.

Addvic Technology Private Limited (Freelancer)

Freelancer

Pune, India
Jun 2020 – Mar 2021

- **Technologies:** Angular 9
- Developed Angular applications using Angular Material for responsive design.
- Integrated REST APIs for reliable data communication.
- Deployed applications via cPanel and maintained hosting stability.

INTERNSHIP

Techspawn Solutions Private Limited

Intern

Pune, India
Nov 2019 – Mar 2020

- **Technologies:** Angular 6, Node.js (Loopback), MySQL
- Enhanced UI for assigned modules and resolved UI bugs to improve usability.

PROJECTS

Personal Portfolio Website

tejal-portfolio-dev.vercel.app

Built a professional portfolio using React, Vite, and Tailwind CSS. Showcases personal projects, skills, and experience. Implemented responsive design, routing, and smooth animations.

EDUCATION

Sipna College of Engineering and Technology, Amravati, India

Aug 2011 – May 2017

B.E. in Computer Science and Engineering. *Equivalent to an HBO bachelor's degree (Netherlands).*
